Courage Born of Our Faith in Jesus Christ

Elder Neil L. Andersen · October 2026 general conference

1. TALK OVERVIEW

Elder Neil L. Andersen of the Quorum of the Twelve Apostles spoke about spiritual courage being born of faith in Jesus Christ. Faith and courage are hallmarks of Jesus Christ's disciples. As we choose faith in Christ, He blesses us with courage to choose the right even in difficult situations, and as we manifest that courage, our faith strengthens. Discipleship always requires spiritual courage; courage is born of faith in Jesus Christ. Being His true disciple — overcoming the world, keeping commandments, trusting Him and His promises — is not a casual pursuit. Spiritual courage is the triumph over obstacles, doubt, and fear in choosing the right. With the world in constant commotion, disciples need stillness to nourish their faith in Christ. Even when troubled on every side, they are not in despair when hope is alive in Christ (2 Corinthians 4:8). Faith in Him brings spiritual courage to minister, keep commandments, speak openly of the Savior, be guided by the Holy Ghost, repent, and receive forgiveness.
