Take Upon Us His Name

Elder James G. O. Fantone · October 2026 general conference

1. TALK OVERVIEW

Elder James G.O. Fantone, General Authority Seventy, spoke about taking upon the name of Jesus Christ. Jesus Christ invites all to take upon us His name and become more like Him by making and keeping covenants and serving others. Book of Mormon prophets taught that following baptism, taking upon oneself the name of Jesus Christ requires a lifelong commitment to serve Him. Latter-day Saints can learn from righteous, charitable examples of family members and full-time missionaries who demonstrate courageous service. When we genuinely take upon ourselves His name by losing ourselves in the service of others, something miraculous happens — a mighty change of heart that leads to true conversion. Taking upon the Savior's name means more than a badge of religious affiliation; His invitation is to take His name by covenant and serve Him with all heart, might, mind and strength — by lifting, loving and serving others. As we lose our lives in His service, we will find Him, and we will find ourselves.
